

# How to View MBL Stockroom Inventory

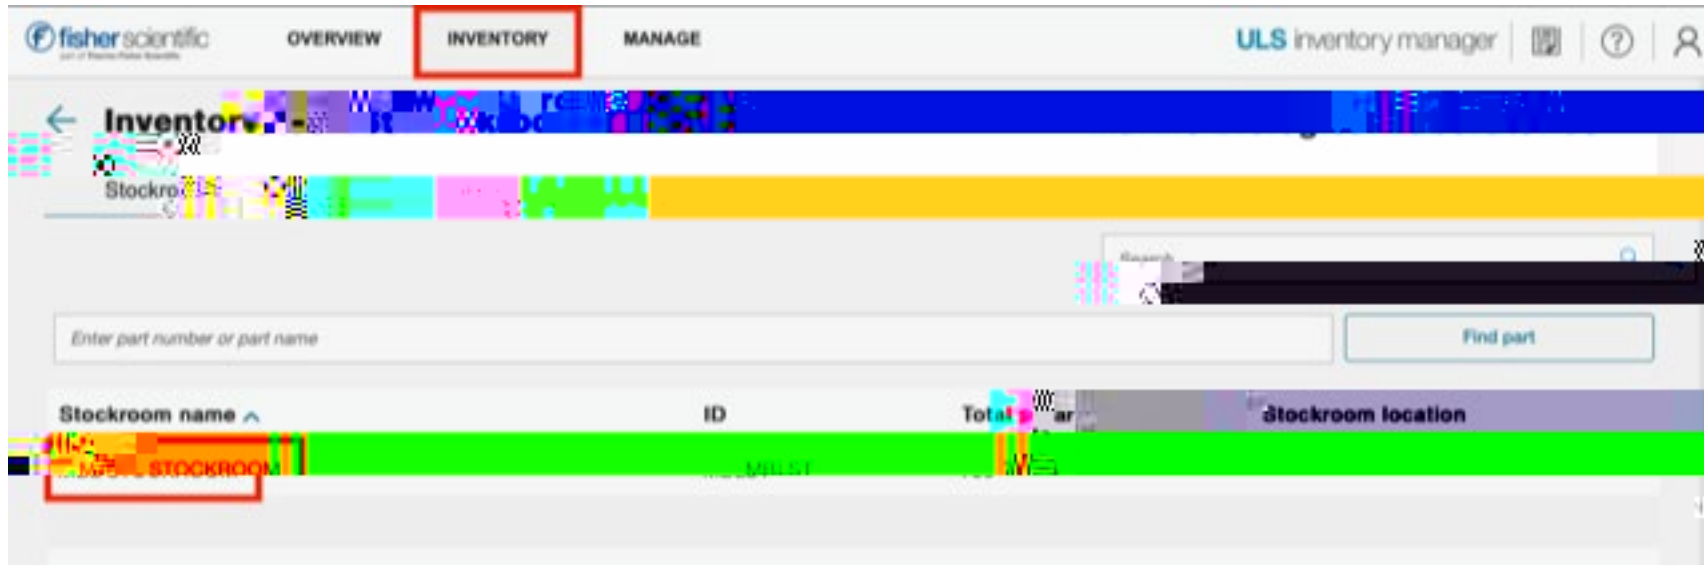

Enter ULS website: <https://ulsimcentral-d0f656fbe.dispatcher.us2.hana.ondemand.com/>

Make sure you are \_\_\_ currently logged into fishersci.com if you have an account already!

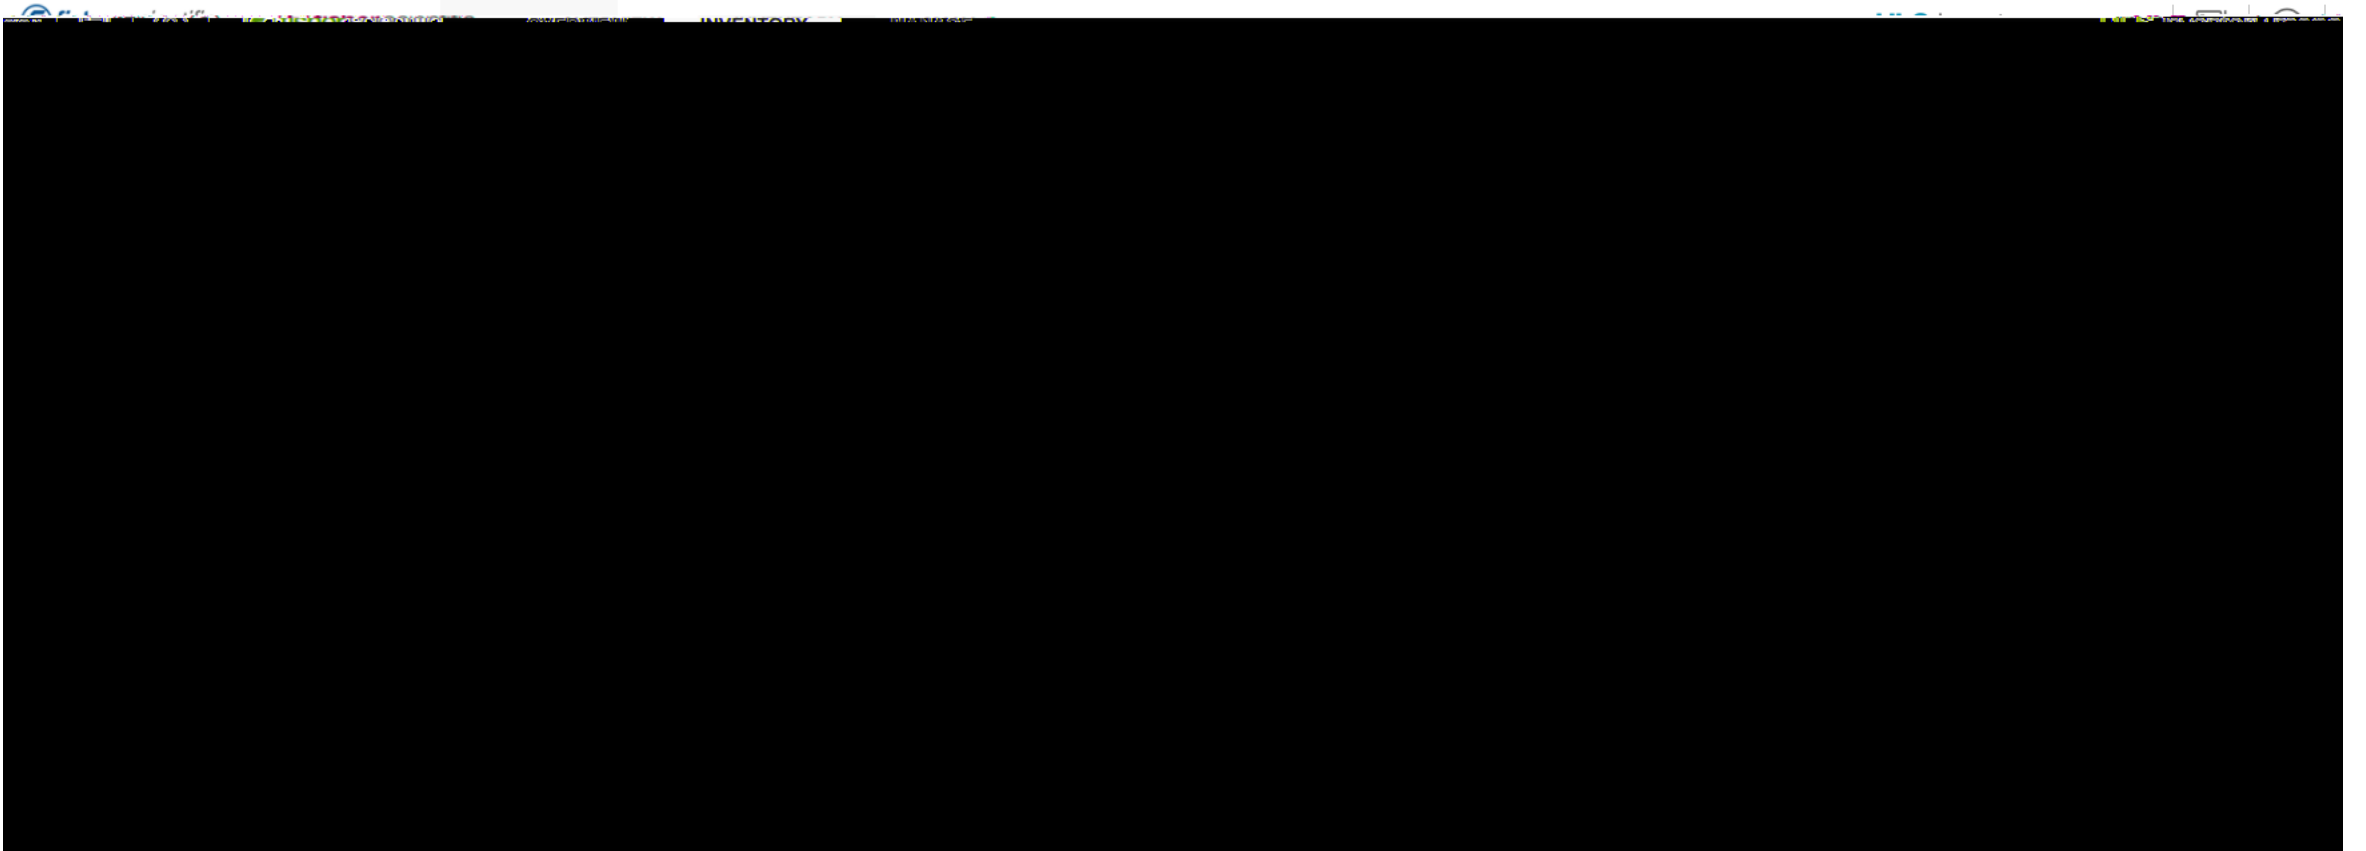

Username: inventoryview

Password: Mbl\$tockrm1

Select **Inventory** Tab  
Double click on **MBL Stockroom**

Use the *search* feature to look for items (ex: spray bottle, tips, gloves, etc.)

- – location of item in the stockroom
- Bin locations marked [redacted] are only used for ordering “ [redacted]”  
part numbers
  - Ex: 20WU22 is the [redacted] product (how we purchase) for [redacted]  
20WU22EA which is the [redacted] product (how we sell)
- = unit of measure
- [redacted] = max quantity that the stockroom carries
- [redacted] = reorder point
- [redacted] = quantity on hand
- [redacted] = quantity on order
- [redacted] = discontinued or do not  
replenish (DNR)

The report viewer is limited and does not show prices. If you have a question or need a price, please contact [stockroom@mbi.edu](mailto:stockroom@mbi.edu) or call 508-289-7236.

Thank you,

MBL Stockroom  
Evie Gomes
